Bid open on 4/16/2015 @ 2:00PM in Sacramento
Reference: Caltrans bid proposal for Contract # 03-4M4604

Dear Sir / Madam,

We bid this project and we were 3rd bidder on this project. We are filing fomal bid protest as follows:

1. Bid proposal was submitted by 1st bidder Lorang Brothers Construction, but no bid bond is submitted with bid, bidder's security is material requirement of bid, hence their bid is a non-responsive bid.
2. Bid proposal was submitted by 2nd bidder Kecia Pipeline Inc, but submitted bid bond with bid document is not valid bid due to following reason:

As per revised Standard Specification, Section 2-1.34, BIDDER SECURITY state in part:

Submit your bid with of the following forms of bidder's security equal at least 10% of ... Bidder's bond signed by a surery insurer who is licensed in California. If using a bidder's bond, you may use the form in the bid book. If don't use the form in the bid book, use a form containing same information.

Submitted bid bond form is used by Kecia Pipeline Inc. does not contain same information provided in bid book's bid bond form.

Attorney in Fact - Carley Espiritu signature need to be notarized by a Notary which is not notarized, hence Carley Espiritu signature is not valid and hence bid bond submitted by Kecia Pipeline Inc. is not a valid bid bond.

Since bidder' security is a material requirement of the bid, hence their bid is non responsive bid.

Both bidders' bid is non responsive bid and therefore bid should be awarded to Dreambuilder.

Thank you for your consideration.

Yours truly,

Alex Singh
Project Coordinator.
